

CONSULTATION REQUEST TO ALL RESIDENTS OF PRESTON RICHARD PARISH

Hi All,

At Monday night's Parish Council meeting 17th January 2022 there were two items on the agenda which the Parish Council felt needed input from the residents of our Parish. As no residents were present it was decided we should approach you directly through the media on these matters to gain your ideas and opinions.

Firstly, on 4th June 2022, the country will be celebrating the Queens Platinum Jubilee and County Cllr Roger Bingham can apply for a small grant for our parish to aid any Celebration of this event. The celebrations can be in the form of a monument, plaque or similar or can be used towards a planned celebration within the parish. This grant is designed to benefit all the residents of the parish that is claiming the grant and as such we need the residents of Preston Richard to tell us how you would like our parish to celebrate it.

Secondly Finances, as we are setting the finances for the coming years commencing 1st April 2022, we would like to know what improvements you would like to see in our Parish. The suggestions would need to be within the Parish Council's jurisdiction but even if you are unsure of what that is please let us have your ideas or suggestions and we will see if they are possible or perhaps by liaising with District or County Councils, we can make it happen.

It's your Parish so your input is vital for the improvement of the Parish to aid the wellbeing of the residents. We would welcome your thoughts and ideas on either of the above, you can let us know by approaching one of the Councillors or emailing the Parish Clerk, all contacts on

or by attending the February meeting in the Village Hall at 7:30pm on 21 February, 2022.

Many thanks for your time and hopefully for your suggestions.
